EXPERIENCE

**Themed Camps:**

Our camps are packed with excitement and joy, revolving around creative age-appropriate, family-friendly themes! Each camp will feature dance instruction, activities/crafts, and engaging activities. For more information on our camp themes and age groups, please refer to our registration form. We highly recommend these camps for anyone seeking an active and enjoyable week for their child! Campers will build confidence and teamwork, learn new skills, and master challenging routines that boosts their self-esteem and a sense of accomplishment. Campers learn the importance of collaboration, trust, and communication, which are valuable life skills.

**Everything Dance Camp (EDC):**

EDC offers a week-long, five-day camp experience. Each day, campers will explore five different dance styles: modern, hip-hop, majorette, West African, and cheer dance. This camp is an excellent opportunity for dancers to enhance their technique while exploring new styles that broaden their understanding and appreciation of diverse dance foundations and cultures.

**Everything Acro Camp (EATC):**

The Everything Acro and Tumbling Camp is designed to provide young children with an exciting and engaging environment where they can learn and practice acrobatic and tumbling skills. This camp focuses on developing physical abilities, coordination, and self-confidence in dancers through structured activities and play.

**Everything Broadway Camp (EBC):**

Calling all young performers! Step into the spotlight at our Everything Broadway dance camp. Prepare for three days filled with show-stopping routines inspired by Broadway's greatest hits. From classic musical theater to contemporary favorites, we will dance passionately and unleash our inner stars. Join us for a summer of song, dance, and theatrical magic as we journey towards the dazzling lights of Broadway!

**Summer Dance Workshops/Intensives:**

Our workshops and intensives are tailored for dancers looking to refine the skills they've acquired over the previous dance season. They also serve as a great introduction to new dance concepts, skills, techniques, and terminology. Additionally, workshops cover essential topics such as physical fitness, nutrition, and dance etiquette, all aimed at promoting the overall health and wellness of the dancer.

**Company Prep Clinics and Auditions:**

These summer prep clinics are designed for dancers seeking more performance opportunities at community events like festivals, fairs, and parades. Participants will learn three routines and have the chance to audition for a spot in the RYDE Dance Company's upcoming season. All dancers who make the team must commit to taking at least three dance styles, attend classes regularly, and uphold positive behavior, character, respect, and discipline.
